

the solution source

Real Simple combines the information women want and the tools they need to make every day a little easier. Whether they're entertaining, organizing, shopping, working, connecting with friends or reconnecting with themselves, these women turn to *Real Simple* for the insight and inspiration that helps them achieve their dreams.

“Our lives are so busy, so complicated, yet so rich. *Real Simple*'s mission is to make women's lives easier so readers can focus on what really adds meaning to their lives.”

Kristin van Ogtrop
Managing Editor
