

Gift Wrap Central

Save time and ensure perfect presentation by storing all your wrapping supplies in one accessible place. Look online or in the organization section of your favorite retail store for “Gift Wrap Stations” that you can hang over the door or in a closet—or create your own using an under-the-bed tote or large plastic bin.

Once you’ve chosen the right container for your needs and space, stock it up with all the essentials using this helpful shopping list:

- _____ wrapping paper
- _____ tissue paper
- _____ gift bags
- _____ bows
- _____ ribbon spools
- _____ raffia
- _____ gift tags
- _____ stickers
- _____ double-sided tape
- _____ scissors
- _____ paper cutter
- _____ ribbon curler
- _____ shrink wrap
- _____ markers/pens

TIP Check your club warehouse store or party store for a “bag of bags” that contains an assortment of gift bags in various sizes.

TIP If you have a greeting card organizer with blank cards for every occasion, be sure to store it nearby.

TIP If space allows, keep some creative containers, like round tins, faux-takeout cartons, wicker baskets and organza bags on-hand. Buy them new at a party store, or recycle what’s been given to you.
